2011 Tree & Shrub List

16800 Highway 55
Plymouth, MN
(763) 559-4016

The warranty period is 12 months for trees, shrubs and evergreens and 30 days for vines, ground covers, roses, perennials, and small fruits. Dundee makes no warranty on replaced plants, and plant material used in above ground planters, damage caused by animals, sunscald, frost cracks, or any act of God. Plants are warranted ONCE ONLY to the original purchaser to grow through the warranty period provided that the account was paid when due, the plants were cared for in a reasonable manner, plant failure was reported during the warranty period, and proof of purchase was furnished. Dundee is not responsible for consequential damages. The buyer's remedies are limited to return of the plant, and replacement thereof, one time, by Dundee Nursery. There are no warranties which extend beyond the description on the face thereof.
