QUANTITY GUIDE FOR SPRUCE TIP PLANTERS

This is a guide for the average number of spruce tips needed per pot, based on the size of the pot. Fullness can be created by adding more spruce tips, boughs, and/or twigs and berries.

10" POT	2 medium spruce tips plus boughs
12" POT	2 medium spruce tips plus more boughs
14" POT	3 medium spruce tips plus boughs
16" POT	2 large spruce tips plus 3-4 medium spruce tips or 1 large spruce tip plus 4-5 medium spruce tips
18" POT	2 large spruce tips plus 4-5 medium spruce tips or 1 large spruce tip plus 5-6 medium spruce tips
20" POT	3 large spruce tips plus 3-4 medium spruce tips or 2 large spruce tips plus 4-5 medium spruce tips
